## How Phenomenal Aire Works

Phenomenal Aire creates a plasma field within a home's HVAC system. As air flows through the field molecules are charged, creating ions. These positive and negative ions then naturally scrub the passing air. The ions then travel on into the living space, where they safely kill mold, viruses & bacteria.

## Removes Odor

Odors and VOCs enter the Plasma Field and are broken down into simple molecules like Nitrogen, Carbon Dioxide, Hydrogen, H<sub>2</sub>O, Water Vapor & Oxygen.

## Cleaning Air Safely

## The Truth about Indoor Air Quality

According to the US Environmental Protection Agency (EPA), the air inside our homes is often two to five times more polluted than the outside air. On average we spend 90% of our time indoors. The air we breathe is filled with pathogens, odors, mold and fungus spores.

"I was experiencing dirty sock syndrome and did not know what to do. I had Phenomenal Aire™ installed and have not experienced any more smells coming from my heating and air conditioning unit.  
Thank you Phenomenal Aire!"  
-Larry E., Homeowner

"This device cleared the air of floating particles, cleared offensive odors and my wife does not have to take Zyrtec® any longer. We wake in the morning feeling refreshed and more alert. And, we're saving about \$300 a year on allergy medicine."
